

# Northern Bay P-12 College

December 14, 2021

Dear Parent/ Carer,

Northern Bay P – 12 College is looking forward to another great year of teaching and learning and would like to advise you of Northern Bay P – 12 College's voluntary financial contributions for 2022 which can be made at our College book collection day or throughout the year.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary and greatly appreciated. All support towards enhanced opportunities for our students and college make a significant difference.

Extra-Curricular items and activities such as camps and excursions are organised by our staff for students to enhance and or broaden their school experience. These can be accessed on a user pays basis. Eligible families can apply for the Camps, Sports and Excursions Funds which supports participation.

Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that's through contribution, fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

Within our school this support has allowed us to e.g. Provide a wider offering of subjects and special curriculum experiences; enhanced digital learning opportunities; School Council endorsed upgrade of our school facilities; faster WIFI and internet.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely,

*Scott Diamond*
