## POLICY

### 1. School Profile

Northern Bay P-12 College is a unique multi-campus school located in the Northern Suburbs of Geelong. It is made up of four junior campuses (P-8 campuses) and one senior campus (years 9-12). Our aim is to provide a supportive, coordinated and consistent approach to the education and wellbeing of children and young people enrolled in government schools in the Corio/ Norlane area. Our vision is to instil community commitment, confidence and high expectations in lifelong learning.

The College embraces a growing cultural diversity that includes culturally and linguistically diverse (CaLD) students from non-English speaking backgrounds and a significant Aboriginal and Torres Strait Islander (A&TSI) population. The College is a leader in addressing the specific needs of these students through a structured EAL (English as an Additional Language), a partnership with the Geelong English Language Centre and the College Marrung Action Plan. There is a significant enrolment of students with additional needs some of which are funded through the Program for Students with a Disability.

The College community is characterised by high levels of social disadvantage. The parent population is characterised by high unemployment, single parent families and high mobility. The Student Family Occupation Index range within the College averages 0.7347.

We are proud of our diversity and inclusive school community. We strive to provide a nurturing and challenging environment that empowers students to reach their personal best, both academically and socially.
